Sullivan County NH Launches Prescription Drug Discount Card That Can Be Used by All Residents

Discount Cards Offering Average Savings Of 20 Percent Off Retail Price

April 24, 2006 — Monday, Sullivan County NH launches a discount card program to help consumers cope with the high price of prescription drugs. The county is making free prescription drug discount cards available under a program sponsored by the National Association of Counties (NACo) that offers average savings of 20 percent off the retail price of commonly prescribed drugs.

The cards may be used by all county residents, regardless of age, income, or existing health coverage, and are accepted at many of the county's pharmacies. A national network of more than 57,000 participating retail pharmacies also will honor the NACo prescription discount card.

"Sullivan County NH is proud to be one of the counties nationwide participating with NACo," said Ed Gil de Rubio, County Manager. "The NACo prescription discount card offers significant savings for the uninsured and underinsured residents of our county, and even those fortunate to have prescription coverage can use the card to save money on drugs that are not covered by their health plan. Residents do not have to be Medicare beneficiaries to be eligible for this program."

Cards will be available at the County Commissioners Office 14 Main Street Newport, at the County's Unity complex – Health Care facility, at each town clerk's office and Claremont City Hall. County residents can call toll free **1-877-321-2652** or visit <https://naco.advancerx.com> for assistance with the program.

"Using the NACo prescription discount card is easy," said Ed Gil de Rubio, County Manager. "Simply present it at a participating pharmacy. There is no enrollment form, no membership fee and no restrictions or limits on frequency of use. Cardholders and their family members may use the card any time their prescriptions are not covered by insurance."

The discount card program is administered by Caremark Rx, Inc.

The National Association of Counties (NACo) is a full-service organization that provides legislative, research, technical and public affairs assistance to county governments. Created in 1935, NACo continues to ensure that the nation's 3,066 counties are heard and understood in the White House and Congress.
